NOTE TO PARENTS/GUARDIAN:

To increase the safety of children attending camp this year, there are some items to be aware of.

1. Children must be picked up by a **PARENT** or **GUARDIAN ONLY!**
No one but yourself will be allowed to pick-up your child without your prior consent.
2. You are being asked to provide the name or names of an alternate **ADULT** pickup person. This is so that should your child need to receive a ride from someone other than you, either preplanned or due to an emergency, your alternate will be allowed to pick him/her up. Any alternate pick-up person is required to show a form of photo identification. If a last minute unplanned alternate is needed for child pick-up, Camp Directors must be notified either by phone or by note containing the alternates name. If a relative is picking up, please include their name and not simply "Grandfather." Names will be matched to photo ID.
3. When picking up your child, you must physically 'check out' your child from their class at their class bench. At the close of each day your child will be asked to remain in their bench area until signed out. Pick-up begins at 2:45pm. The adult responsible for your child's class will need to check-off your name at pick-up each day.
4. When picking up your child, please be mindful of the parking lot area. This can tend to become congested during pick-up and drop-off times. Because of this we ask that no child is left unattended in the parking lot area for safety. In addition, because of the limited parking space we ask that you keep the driveway clear to eliminate traffic hazards.

Let's work together to keep Day Camp safe and enjoyable for all campers!

***Thank you,
The Day Camp Staff***
